

Dragonfly Tarot

Code of Ethics

My intention when providing a Tarot reading is to impart information with the best interest of my client and all concerned in mind. I will provide all inside end guidance with honesty and transparency.

- All conversations will be held in strict confidence.
- I will not read for anyone under 18 years of age without the consent of a parent or guardian.
- To protect the privacy of others, I will not read on a third-party (e.g. “Does Joe really love Sally?”). Where possible, I will rephrase the question to focus the reading on what is directly related to the client.
- My readings are without judgment. Client of all cultures, religion, spiritual path, sexual orientation and gender identity are welcome.
- I will not give advice in relation to medical, legal, financial, or any other profession for which I am not qualified.
- I will always do my best to provide positive direction and guidance, and to help my client to find a practical and empowering course of action.
- I will read the cards to the best of my ability. I will conduct the reading with honesty and openness, and if I cannot interpret the cards clearly I will tell you that.
- I reserve the right to refuse to do a reading for a question that I feel I cannot answer, or one that goes against my code of ethics.
